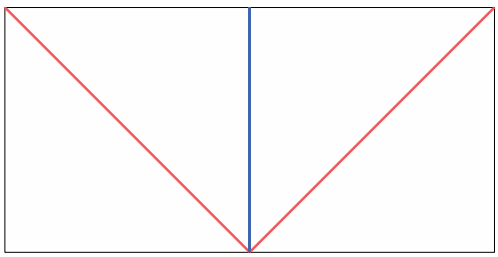
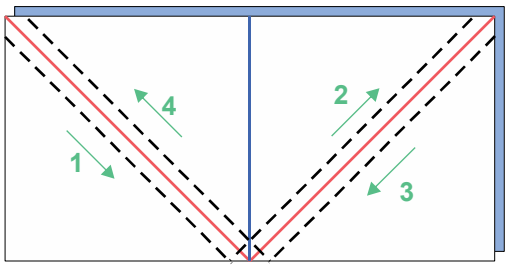
Block 4 - Raspberry Cheesecake

1. Gather the 4-1/4" x 8-1/2" Fabric A rectangle and the 4-1/4" x 8-1/2" Fabric D rectangle.

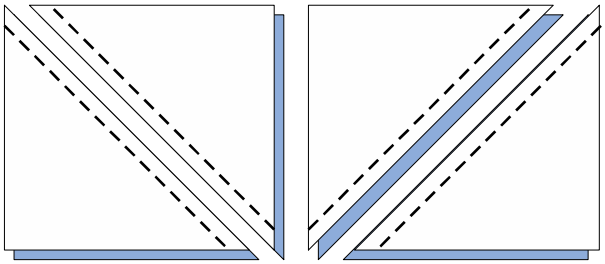
2. On the back of the Fabric A rectangle, draw a line to divide the fabric into 2 (two) 4-1/4" x 4-1/4" squares. This line is blue in the diagram. Also draw diagonal lines through each square. These lines are red in the diagram.



3. Layer, right sides together, the marked rectangle and the Fabric D rectangle. Stitch seams 1/4" away from both sides of the diagonal red lines. The green numbered arrows show the order to stitch the seams.



4. Cut along the drawn lines, both red and blue, to separate the unit into 4 HST units.



5. Press the seams of each of the 8 HST toward Fabric D.

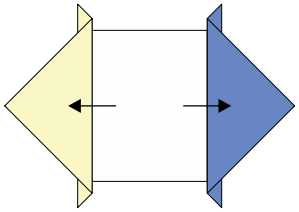
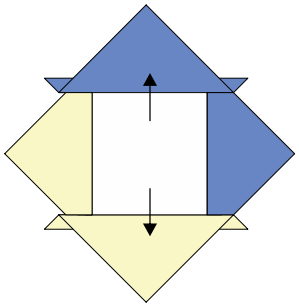
7. Gather 4 (four) 2-5/8" x 2-5/8" Fabric A squares, 8 Fabric B triangles, and 8 Fabric E triangles.

8. Stitch a Fabric B triangle to one side and a Fabric E triangle to the opposite side of a Fabric A square. Press the seams away from Fabric A.

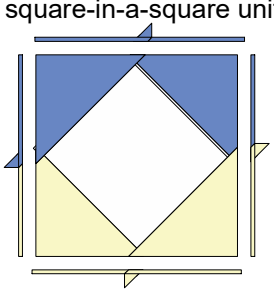


9. Trim the dog ears even with the sides of the Fabric A square.

10. Stitch a Fabric B triangle to the unit. Stitch a Fabric E triangle to the opposite side. Press the seams away from Fabric A.



11. Carefully trim the step 10 unit to 3-1/2" x 3-1/2". The points of the Fabric A square should be centered at 1-3/4" from the sides and 1/4" from the edge. This is a square-in-a-square unit.



Make 4

12. Repeat steps 8-11 to make 4 square-in-a-square units.

13. Watching the orientation, stitch a HST to opposite sides of a square-in-a-square unit. Press the seams toward the HSTs. The result should measure 3-1/2" x 9-1/2". Make 2.
